#### GEN VILLA BUYS MORE SOUTH CAROLINA COCKS

Mexican Rebel General Lover of Sport Furnished by Feathered Fighters.

News and oCurier.

Anderson, April 4.—S. J. Hester, of Hester Station, just south of this city, today shipped 12 extra fine fighting cocks to Gen. Villa, the rebel leader in Mexico. The order from the general is the second that Mr. Hester has filled since Christmas, which goes to show that Villa is interested in more than one kind of fighting.

Mr. Hester says that he has sold the cocks for \$18 in Mexico, but the war has decreased the demand, and he was able to get only \$6 each from Villa. In all, Villa has been shipped 24 cocks by Mr. Hester in the last three months.

#### NO ARREST IN HOLD-UP CASE.

Columbia Chief of Police Says Ratcliffe is Not Held.

Columbia, April 4.—Further than the statement that one Ratcliffe, today reported arrested as a suspect in connection with the hold-up last Saturday night of the Seaboard Air Line's fast train, No. 2, here, was never under arrest and the declaration that Francis H. Weston, United States district attorney, had left instructions that silence was to be maintained, nothing could be obtained from local authorities tonight. The district attorney left today for his farm in the lower part of the county, and tonight was inaccessible.

The denial of the reported arrest of Ratcliffe came from W. C. Cathcart, chief of police, when questioned about the report to that effect from the Seaboard offices in Norfolk. Chief

Cathcart explained that the man had been called into a conference of detectives last Sunday, but had been released immediately, as it was found he was not the man wanted. No charge had ever been laid against Ratcliffe, he said.

Rumors that several men had been arrested in connection with the case were frequently heard, but confirmation of none of them was obtainable from the authorities.
